Visual Reality Session

(19-20 JANUARY 2026)

Students participated in an exciting Metaverse 360° VR immersive learning session. Juniors explored themes like life on Earth, world heritage sites, and snowy landscapes, while seniors experienced the Big Bang, climate change, volcanoes and earthquakes. The session offered a refreshing blend of technology and learning, making concepts come alive for students.

**Exploring the World
Through VR**

CELEBRATIONS

Lohri & Makar Sankranti

Lohri and Makar Sankranti were celebrated with joy and enthusiasm. The festivities highlighted the spirit of harvest, togetherness, and new beginnings, helping students appreciate India's rich cultural traditions.

Basant Panchami

Basant Panchami was celebrated with great enthusiasm as students presented a beautiful skit, spreading the message of knowledge, culture, and the joy of spring.
