POETRY

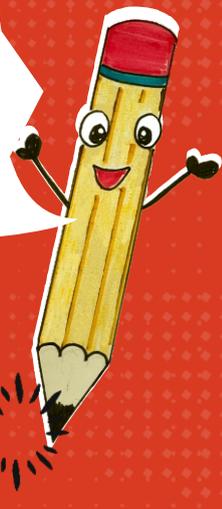

*paint on clothes, ink on skin
bringing colours to dreams within
through their work creating a delight
with music art or maybe a poetry to recite*

*A paper waiting, so pure and white
to be filled with colours and dreams to write
with shivering hands and creative minds
an artist open all the binds*

*an art describes the way they feel
a joy, anger or maybe a pain to heal
so let them paint, write and play
cause they cannot live the other way*

- Anannya Mantri
