INTERNSHIP PROGRAMME FOR GRADE XII

at Satguru Corporate Office

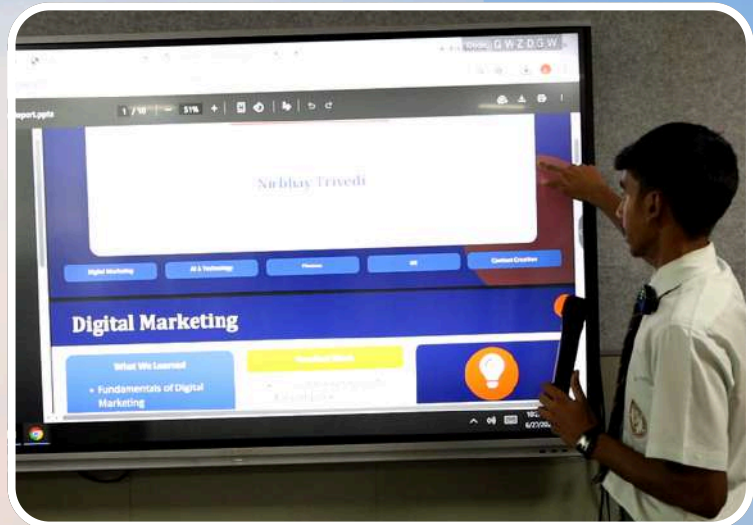

As part of its commitment to experiential learning, SIS organized a two-week internship at Satguru Overseas from 8th– 20th June 2026. The programme provided students of Class XII with hands-on exposure to workplace practices, helping them develop essential vocational skills, professionalism, and career readiness.

INTERNSHIP LEARNING PRESENTATION

On 27th June, SIS interns of Class XII presented their key learnings and experiences gained during the internship at Satguru Overseas. Through engaging presentations, they reflected on workplace exposure, vocational skills acquired and the practical insights that enhanced their confidence and career readiness.

INTERNATIONAL YOGA DAY CELEBRATION

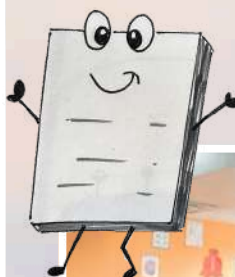

SIS celebrated International Yoga Day on 22nd June 2026, promoting the importance of physical fitness, mental well-being, and a balanced lifestyle. Students and staff enthusiastically participated in guided yoga sessions, embracing the message of health, mindfulness and holistic wellness.

SPECIAL LITERACY CLASSES FOR STUDENTS

This summer, our students took a meaningful step towards becoming confident readers and writers. Through special literacy classes, they strengthened their reading, writing and language skills in both English and Hindi. Their enthusiasm, dedication and consistent effort made every session a valuable learning experience.

MICROTEACHING SESSION FOR TEACHERS

To strengthen classroom practices in line with the latest NEP pedagogy and educational reforms, SIS conducted a structured Microteaching Session for teachers on 29th and 30th June 2026. Minute-wise planning ensured focused execution, enabling educators to refine their instructional strategies, enhance teaching effectiveness and embrace innovative, learner-centric practices.

NCC SWIMMING TEST HOSTED AT SIS

Our campus swimming pool hosted the NCC Naval Wing swimming test on June 10, 2026. Conducted under the supervision of Commanding Officer Commander Geo Mathews, around 30 cadets from the 2 Raj Naval Unit NCC, Ajmer, participated from 10:00 AM to 12:00 PM. The test evaluated the cadets' swimming proficiency and training evaluation. Thanks to the joint efforts of the NCC officials, Commander Mathews and school administration, our cadets successfully demonstrated excellent talent and enthusiasm.

EVENING SPORTS ACADEMY

Summer wasn't just about holidays—it was about learning beyond the classroom. The SIS Evening Sports Academy empowered young athletes to sharpen their skills, stay fit and discover the joy of sports through Football, Badminton and Swimming.

AFS INTER-SCHOOL ROBOTICS EXPO 2026

We proudly participated in the AFS Inter-School Robotics Expo 2026 hosted by Jindal Adarsh Vidyalaya. The event encouraged students to develop innovative robotic solutions for global challenges through creativity, technology and sustainability.

Our students showcased "Aqua Clean Bot," an innovative robot designed to clean water bodies and monitor water quality. The expo provided an excellent platform for students to demonstrate their technical skills, creativity and problem-solving abilities while fostering teamwork, confidence and a commitment to using technology for the betterment of society.
