EDITORIAL MESSAGE

Ms. Divya Punjabi

A sprout, when looked after with unconditional and ample amount of care, bears the most delicious fruit. This school is a living dream of its founders and we, the members of this vivacious team, can confirm that it surely feels like taking a walk in a dream here. Each day is a celebration in this campus, and the anecdotes of this beautiful journey ideally deserve their own book.

Ms. Rumani Pandiya

When we were given this glorious opportunity to be the Editors of SIS's first ever school magazine, we felt the beautiful amalgamation of excitement and fervour.

The first few steps are always challenging, but we took them with great enthusiasm. The mammoth task of bringing what we envisioned on paper was made possible with the collective contribution of every member of School Management, Staff and our Students associated with this project. It took each ounce of our creativity and effort to bring this newsletter to your hands. Each page holds the glimpse of what we stand for; the raw and rare excellence.

Like the first ray of the sun calmly unfolds itself and becomes the outset of something magnificent, 'Abhyudaya' sets the stage for SIS.

The accolades our school has brought and the stir we've created in such a short span of time has driven us to heightened confidence and aplomb. We are here to create history and, in that endeavor, we humbly present our maiden effort.

So, we would request you to take a seat, and with every sip of your evening tea, go through the splash of hidden talents, achievements and hints of our love that binds this magazine together.

***With Best Wishes,
Editors-in-Chief***

VICE-CHAIRMAN'S MESSAGE

Let education make our students transform the world into a place where truth, justice, liberty, and equality have the sway. As I glance back at the performance of the various activities during the last academic year, be it curricular or co-curricular, I can confidently say that our students have certainly made us proud. The school endeavors to equip its students so that they excel in academics, and be savvy in the use of technology. But equally, knowledge is to become liberal. We are a community of learners, where excellence is a shared pursuit. May you all continue to scale greater and insurmountable heights of excellence.

I take this opportunity to congratulate the Principal, Staff, and Students. Every effort of this team is highly appreciated.

Mr. Prakash Lalchandani
Vice Chairman

DIRECTOR'S MESSAGE

With extra-curricular classes, a strong emphasis is paid on communication skills to foster cultural understanding. The students of our school will certainly emerge as elucidated and responsible citizens of the world.

I wish you a great experience in parenting, a healthy and cooperative relationship with the school, and a very bright future.

Mr. Raja D. Tharwani

JOINT SECRETARY'S MESSAGE

“Everybody has talent, it’s just a matter of moving around until you have discovered what it is.”

It is a matter of pride to pen down the message for the 1st Edition of our School magazine. My heart fills with immense pleasure, as I perceive the progress being made at Satguru International School. I am glad that in its first year we, as educators, created a safe, stimulating, and learning environment for our students. For me, Education is a continuous and ongoing process of happy learning. It is a lifelong exercise that can be exciting if we jump onto the train of experiences, creativity, and imagination, which eventually helps children grow up to be productive adults. We have a talented, dedicated, caring team of staff, each of whom works very hard to ensure that the abilities of the children in their care are nurtured well. Our teachers are working tirelessly as a team to make the school a very special place for every child.

I would like to encourage all the students to take the canvas of hope and the brush of a glorious vision and paint their own portrait of excellence!

I also take this opportunity to thank the parents of our school for having their faith and confidence in us. I extend my warm wishes to our Editorial team, Teachers, and Students on the publication of this magazine and I wish them to continue this journey on the road to excellence.

Ms. Bhumika Tharwani
Joint Secretary

PRINCIPAL'S MESSAGE

Dear Parents,

When I begin to express my thoughts for the first ever SIS Magazine, my senses take me back to April 1st, 2022, when we started our Satguru International School, Ajmer. The elation, excitement and love has transformed into belief, joy of learning- unlearning, and a safe haven for our students. It is unbelievable! My heartfelt gratitude goes to all the parents of the SIS Foundation batch and to my dedicated and highly talented teachers. You've done a marvelous job! But, this is just the beginning as it is just a tip of the iceberg. We still have a long way to go. Our kids have now become habitual of excelling in each and every endeavour, be it academics, sports, performing arts or digital literacy. Let us develop our kids in such a way that they start competing with themselves and set more realistic goals for themselves. The inception of Career Guidance Cell, lawn tennis court, skating arena, beautiful ground, table – tennis court have given an added advantage to our kids. Our students have already started enjoying themselves in the swimming pool, badminton court, basketball court, squash court, new table tennis court, shooting range, huge auditorium with a capacity of more than 600 students and a highly advanced and hygienic canteen to make our infrastructure one of the best in Rajasthan. We provide an inclusive environment where students are encouraged to put their best foot forward to achieve academic, sporting and social excellence.

Satguru International School is surely committed to empower excellence in our students by giving them every opportunity to harness their innate potential and be prepared to touch the pinnacle of success. We focus to strike a balance between their heart and brain for their complete development.

"Together We Can; Together We Will."

Mr. G.K. Mishra
Principal

ACADEMIC ADVISOR 'S MESSAGE

'Sa Vidhya ya Vimuktaya'

The highest principle of the Upanishads- means Education for Liberation. We at Satguru International School, wish to liberate our students from the bondage of ignorance, and emancipate them from the tyranny of small self, and make them 'altruistic free', self-reliant and selfless. We wish to create in them the desire to inquire, find and analyze the power to challenge a given hypothesis through established methods and approaches.

Today, the philosophy has changed. Instead of giving too much concentration only on curricular activities we, the teachers have to discover where the strength of your students lie, and to approach them differently. The core values lie in bringing out the best in every student, which is the aim of OUR PATRONS SRI ANIL CHANDIRANI JI & SRI PRAKASH LALCHANDANI JI.

A sea change has been noticed in the field of education during the recent years. The conventional methods of teaching have become outdated in the technology-driven era and the present generation has become inquisitive.

We have to be truly qualified to meet this challenge. Our strength lies in the natural ambience and a healthy set up.

Our students will learn to welcome and respect nature and its boons. They shall imbibe the core principles of World citizenship, Universal values, Leadership qualities and Forward thinking which we plan to weave into the fabric of our school's educational ***program at SIS to form the foundation of our blooming buds.***

BLESSINGS

Ms. Vineeta Bisht

My passion for education, helping young minds, watching them learn and achieve milestones are the reasons which being me into this profession. Pre-primary years of learning is not just about ABCD, 123 and different colours, rather it is the foundation of developing a child's cognitive, physical, social and emotional well being.

The earliest years of a child's life are a key to predicting ultimate success in their school and personal life. We, the educators and facilitators at SIS, always encourage our students to develop in their special field of interest. We have created an ideal environment for the healthy development of young children so that they can grow and learn in a natural way.

I take this golden opportunity to extend my gratitude towards the parents of our students for having bestowed their trust and confidence in us.

Your faith in us is our driving force.

Thanks & Regards

STUDENT COUNCIL HEAD MESSAGE

In line with the vision & mission of SIS to facilitate learning at all age groups and to develop competency among the students, Student Council has been created as an endeavour to identify and help solve the problems encountered by the students in this institution. This role of the Student Council Head has been truly gratifying and fulfilling. To begin with, I would like to thank the almighty for his everlasting love and guidance throughout this year of leadership. I would also like to take this opportunity to show my appreciation to the Management, Staff and my dear colleagues for having confidence in me in leading the Student Council Body. It is a Team of Volunteers & Elected Students who are given specific roles and responsibilities, for eg. to consult students on any issue of importance and to organize educational and recreational activities. With the active participation & enthusiasm of every council member, we have been able to achieve our set goals for the current year explicitly. Here, I would like to congratulate and compliment each and every council member for carrying out their specific tasks diligently. Looking forward to doing even better in the coming years.

Ms. Neetu Chouhan
Student Council Head

*"The pessimist complains about the wind,
The optimist expects it to change
The leader adjusts the sails."*

I believe that a true leader is someone, who could inspire others with his actions and has the ability to encourage others to dream more, do more and achieve more. First of all, I would like to express my earnest gratitude towards the 'Almighty God' for his benevolence, and Respected Principal, Sir G.K. Mishra, and all my respected teachers who have faith in me. Becoming the first Head Boy of Satguru International School, I have found tremendous happiness and joy. A school is not just about assignments and grades, rather it is a place that instills values, courage, self-confidence in students, and allows us to transform ourselves into responsible citizens of our nation. Thus, my school is truly a special and happy place for me. My parents have been the greatest support for me; they are the reason for all the values, confidence and compassion that I have. These skills have paved my path to become the First ever Head Boy of Satguru International School Ajmer. As the Head Boy, I will always look towards expanding the horizon of critical thinking and promoting innovation in all school activities, as well as supporting all my fellow students. I am looking forward to working on more guided theories and will always be dedicated to display moral values, compassion, discipline and emotional intelligence.

Nirbhay Trivedi
(Head Boy)

OUT OF THE BOX ASSESSMENTS

These assessments were designed to promote application- based assessment. It catered to each student's unique learning style, and gave students a chance to ditch the pen-paper test, and present their knowledge in a creative way.

A variety of assessments were done which gave students less anxiety, and increased their positive learning experience as well as gave them the opportunity to demonstrate what they have learnt in the past few months.

PA-IV shed light on each student alike, and challenged them to think out of the box!

All About Magic

I love Harry Potter,
Like Luna loves her pudding,
Like Dobby loves a sock,
Like Harry loves his parents,
and Peeves loves to mock.
Like Hermione love the books,
Like Ron loves his food,
Like Dumbledore loves Hogwarts,
I love their journey too.
Like Hagrid loves his creatures,
and Draco loves himself,
Like J.K. Rowling loves writing,
and the Weasley brothers love to prank.
If I had a chance at Hogwarts,
I'd grab my broom and wand!
Till then, I will wait for the letter,
and cherish this magical bond.
Khushi Tak (VI)

SIS

Everyday I come to school,
Learning new ways to be cool.
Days go and days come,
But I wish to be here all day long.
Life feels so magical here,
I eat, learn and stay in sun.
Then I get tired and still think of fun,
I wish to stay here forever.
As my teachers are so kind,
And always give me joy,
And the drive to strive.
You help us dream,
You give us hope,
To always cope.
And win in all spheres of life.

-Siddharth Pamnani (Class VI)

Ecstasy

I want to swim in my dream
I want to fly, that's why I want wings
I want to feel the rain
How it dropped like a chain,
I want to touch nature
How it creates beauty in the creatures
I want to smell the flowers
How it blooms in the shower
I want to hear the voice of the birds
How beautifully they sing from their
hearts
I want to live a dream which will never
fade
and comes true again & again.

-Priyanshi Sahu (VII)

Listening Tree

*A beautiful day
When everyone is doing their work
I am the one who will sing a song
They might mock me
I don't need someone praising me
But I will keep on singing my favorite song,
my beautiful song
I am happy sitting and singing under my
listening tree.*

-Prakshi Parashar (VI)

Water!

Water is clearly a mystery to
me.
A solid?
A liquid?
A gas?
It's all three!
We are blessed with the world
so beautiful
Where clean water keeps us
cool.
It comes from clouds, don't
you know?
And wears funky masks,
Of ice and snow!

-Yashvardhan Singh Chouhan
(VII)

Little Humans

There are no devils, there are no fiends,
But the one's cutting the trees,
are little human beings.
Oh little human! Full of sorrow
and dismay,
Burning forests down,
like silly strands of hay.
Do you wish to rule the ashy,
smokey land?
Do you want to meet
your rusty dead-end?
You must fear God,
and respect Mother Nature,
Or it won't be long, when you will be
the only walking creature.

-Rishi Tekwani (VIII)

Raindrops

When the rain comes down
Drip-drop drop-drop
Pittar -patter, chittar-chatter,
They swirl on the roof top.
The wind shield wipers flip-flop flop-flop,
I wish to join their peppy party,
I wish the rain would never stop.
I would love to be drenched,
and enjoy every drip-drop...

-Kenisha Sharma(VI)

My School

I love my School
I love my School,
It feels like a beautiful temple of rooms,
Where our teachers give us
knowledge, advice.
My School is
Satguru International School.
I feel so peaceful here, I feel so happy.
It is the best school I have come to,
That is all I know.
I Love My School,
I Love My School.
My school opens the door of education
Which I will always cherish,
Where Discipline and Happiness
go hand in hand.
And all the worries perish!

कहानी पेड़ की

मैं एक पेड़ हरा-भरा,
करता हूँ धरती को हरा-भरा।
फिर भी मुझे दुख होता है जब,
इमारत के लिए तुम देते हो हमें काट,
और इमारत कर देते हो खड़ी...
छोटी-छोटी बड़ी-बड़ी...।
अब कहाँ जाऊँ मैं सब छोड़,
नहीं कहीं मेरा कोई ठोर...
मेरे साथी मेरी मदद करो
पेड़ लगाओ मुझे बचाओ।
मुझमें लगे जो फूल ना तोड़ो,
उसमें मेरे बीज हैं उनको खिलने दो।
मेरी पत्ती मुझे खाना देती है,
और मुझे हरा-भरा रखती है, उसे मत तोड़ो।
मैंने तुम्हें बचाया साँसों से,
अब तुम भी मुझे बचाओ,
मेरे साथी अपना धर्म निभाओ...
....वृक्ष बचाओ, पृथ्वी को बचाओ॥

मुस्कान (कविता)

मासूमियत से भरी होती है मुस्कान,
दिल की खुशी की पहचान होती है मुस्कान,
लगता है जब कोई बेगाना अपना सा,
तो इस छुपे हुए राज को खोलती है मुस्कान।
होठों के घरोद में छुपी रहती है मुस्कान,
जीवन को सुलझाती पहेली है मुस्कान,
रुठ जाए जब कोई अपना किसी बात पर,
तो उसको मनाने की जीत में शामिल होती है मुस्कान।
अपनी मंजिल को पाने पर छलकती है मुस्कान,
निराशा भरे जीवन में आशा का संचार है मुस्कान,
जीत की नई परिभाषा है मुस्कान,
बेरंग दुनिया में रंगीन हौसला है मुस्कान।
न जाने कितने रूपों में होती है ये मुस्कान,
पर आखिर में होती है ये दिल की खुशी का ही परिणाम।
अन्तिम शब्दों में है ये हैं कविता का पैगाम,
मुस्कुराते रहो हर पल, सुबह और शाम,
न जाने आपकी मुस्कान ही हो,
किसी की जिंदगी में जीने की चाहत का नाम।

प्यारे पापा सच्चे पापा।
अच्छे पापा न्यारे पापा,

अच्छे पापा प्यारे पापा।

माता पिता का महत्व

एक वो भगवान जिन्हें हम पूजते हैं जिन्हें हमने देखा नहीं है। एक वो भगवान जो हमें इस धरती पर लाए हैं वे हमारे माता-पिता।
इस धरती पर सबसे ऊँचा स्थान माता-पिता को दिया गया है। जिनका मन साफ़ और निस्वार्थ भावना से पूर्ण होता है।
माता पिता अपने बच्चों की अच्छी परवरिश के लिए उनके मानसिक, शारीरिक विकास में एक महत्वपूर्ण भूमिका निभाते हैं।
एक तरफ माँ अपनी संतान का पालन पोषण करती है तो पिता अपने बच्चे को अच्छी शिक्षा और सुविधा देने के लिए पैसे की सहायता करते हैं।
माता-पिता चाहे खुद एक वक्त की रोटी खा ले मगर पहले अपने बच्चे की भूख मिटाते हैं।
आपने भगवान न देखें हो, मगर एक भगवान जो आपकी आँखों के सामने रहते हैं, जो आपका पालन पोषण करते हैं, आपके माता-पिता हैं।
मेरे माता-पिता मुझे बहुत प्यार करते हैं और मुझे कभी कोई कमी नहीं होने देते हैं। कभी कोई समस्या आती है तो मुझे उससे बाहर निकालते हैं।
माता-पिता के अच्छे संस्कारों से ही बच्चा सही और गलत के बीच फर्क को समझता है जिससे वह एक अच्छा नागरिक बनता है।
जिस तरह माता-पिता हमारा ख्याल रखते हैं, हमें भी उनका ख्याल रखना चाहिए। उनके काम में हाथ बँटाकर उनकी मदद करनी चाहिए।

FROM THE DIARY OF PRINCIPAL SIR

एक मुलाकात खुद से

मैं प्राण में हूँ निस्प्राण में हूँ, जड़ के अखंड अभिमान में हूँ
देकर सबको मजबूत सहारा, मैं खुद कहता हूँ मैं बेचारा
अपनी जिह्वा को पंख लगा, नभ की उड़ान की ललक जगा
धरती के कोने कोने की, मिट्टी छूने की अहक जगा
निर्बल को बल की आस जगा, पथ के पथिक को मान सगा
इतनी जल्दी मैं काम छोड़, आवारा कैसे बन गया
मैं बेचारा कैसे बन गया ...
कर्तव्य मार्ग पर चला अडिग, अनगिनत स्वप्न देखे दिन नित
पूरा करने का लिए ज़िद, सबको जीवन की राह दिखा
बंजारा कैसे बन गया, मैं बेचारा कैसे बन गया
रख आग सदा जल जाने की, मुर्दे की चिता बन जाने की
ठुकराए को अपनाने की, गर्दिश में शंख बजाने की
कांटो पर चलकर गाने की, मुट्ठी में ले सारी दुनिया
बस एक सितारा बन गया, मैं बेचारा कैसे बन गया....
अब नहीं थमेगा प्रण मेरा, देखेगी दुनिया रण मेरा
है आत्मशक्ति ही सर्व शक्ति, कहता है चीख के मन मेरा
अपनी ही महत्वाकांक्षा का हत्यारा कैसे बन गया,
मैं बेचारा कैसे बन गया...

Let's awake and conquer as it is always you who matters for you and hence for the world.

Golden Words

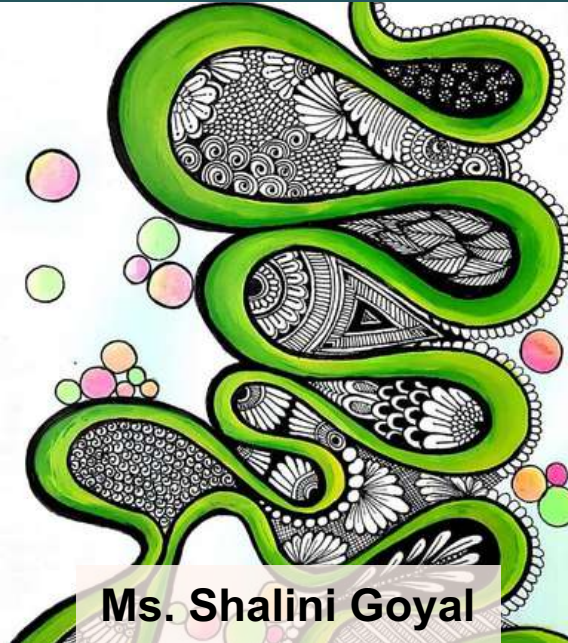

**Life is to live, and love is to give,
Yet, we seldom think, and hardly believe,
The magic lies in every moment,
in what we do, and what we perceive.
Failure is not the antonym of success,
Let there be no more confusion,
Let there be no more guess.
In every endeavour, try to give your best,
God will surely take care of the rest.
Your success is a journey, not the destination,
Even the best in business needs rejuvenation,
Collaboration always works,
So, adopt it as a skill,
Together only we can,
And together surely we will.**

Dead Poet's Poetry

I don't belong to this time,
because I still believe in reading,
and writing, and repeating.
I believe in passing notes,
highlighting my favourite quotes.
I still like the smell of books,
And the endings with tight hooks.
But now, you should be on the stage,
Wear that dress with flowery language.
Hold the phone, the diary, a page,
Gulp the knots, the rage
Smile; for you're on the stage.
I sometimes hold the paper
Embroidered with my rhymes,
And wonder what did this poor thing do
To be butchered on the mic?
If I could speak, why would I write?
If you could read, why should I recite?
If I really belong to the spotlight,
Tell me why do I write under my blanket
In the ink of midnight?
I miss being understood, without being said.
And, if reading is a dying art, then the writer is dead.
Still I drag up here my dead meat,
I stand with my trembling knees,
because I miss being read through the eyes.
So watch my jawline clench in symphony,
while I stand here and ask-
Why can't we be poetry,
Read in the calm,
savoured in the quiet?
Gently kissed,
and kept on the bedside?
Why can't you read
me between my lines?
Why can't I still be,
Even when I fail to recite?

Ms. Divya Punjabi

BEING MY WAY

I wish I were Alice in the Wonderland,
Wishing to be gone to the Disneyland,
Every moment would be precious,
Every day would be fun-filled.
I wish I were Rapunzel,
Letting my hair down the tower of despair,
I would be away from the world,
And live in the dreamy land,
Where no one could find my space,
I could hide in my sack.
I wish I were Cinderella,
And look for prince charming someday,
But I am still happy being my way.

Ms. Rumani Pandiya

Look for-better opportunities
Search for-only good
Curb out-evil thoughts
Wear on-smile always
Shine out- like a sun
Rise up-like a moon
Stand out-amongst all
Be robust-like a strong pillar
Be determined-like a mountain
Believe in- that there is more to come
Have faith-there is always a next time.
Feel rewarded-when you complete your task.
Feel happy- when you make others smile.
Feel grounded-when you give somebody praise.
Be humble-when you hold others to move ahead in life.
Accept it-your fault and weakness.
Applaud yourself-for knowing yourself.

Ms. Kavita Nag

The Things of Beauty

Beauty differs from place to place and eye to eye,
Beauty lies in everything,
Be it a cuckoo's song or a guitar's string.,
In the sound of rain or the crowd of Spain,
In the mist of San Francisco or the culture of Mexico..
In the snowy scene of Antarctica,,
Or the dry desert of Sahara.
In the chuckle of a child,,
Or the imagination of our mind..
In the mantras of yoga or the beats of opera.,
In the roar of a lion or the nightingale's song of desire.
In the village morning or the urban evening,
Everything is special, the sun, the moon, the mighty sky,
Really, the things of beauty differ,
from Place to place and eye to eye.

Ms. Harmeet Kaur

"IMAGINE"

Imagine a world without pineapple toppings on pizza ...How amazing!
& now imagine a family wedding with no photographs, newspapers & magazines with not a trace of a picture .
Surely no one would ever live to see such a day!
Freedom is a world of infinite possibilities and an ocean of calmness.
If anything can hold the boundlessness observed once in a million years and bring it to a standstill, it's only a Photograph !
A photograph that stops time, that actually makes us experience the eternity ,a beautiful moment held for an eternal period of time.

शिक्षक संगम दो शब्दों का

सरस्वती माता का उपासक।

गुरु, आचार्य, अध्यापक, शिक्षक
नव पीढ़ी का आधार है बनता।

आदर्शों के ताने-बानों से

बालक मन की जिज्ञासा को
निज अनुभव से शांत वो करता।

बालक के कोमल मानस को

बच्चे होते हैं कच्ची सौंधी मिट्टी की तरह,
सुन्दर रूप में उन्हें ढलने दो।
बच्चे हैं नभ में उड़ती पतंग की तरह
सम्पूर्ण व्योम में उन्हें उड़ने दो।
बच्चे हैं कल-कल करती सरिता की तरह,
उमंगों भर - भर उन्हें बहने दो।
बच्चे हैं निष्कल नटखट पुनीत,
बच्चे ही इनको रहने दो।

मेरा बचपन

धीरे-धीरे हाथ हिला कर, जा रहा नन्हा बचपन।
भोला भाला कितना प्यारा मेरा बचपन।
सूरज की पहली किरण-सा, सुबह-सुबह की गुनगुनी धूप सा,
गुलाब के खिले फूल सा मेरा बचपन।
आंगन की मखमली दूब सा,
चंचल सा नटखट सा मेरा बचपन।
भूली बिसरी कितनी यादें, नीम पेड़ पर झूला झूले,
लुकलुप आँख मिचौली खेले,
हाथ बढ़ाकर पकड़ ना पाऊँ जा रहा है.....मेरा बचपन।

काक चेष्टा बको ध्यानं श्वाननिद्रा तथैव च।
अल्पाहारी गृहत्यागी विद्यार्थिन् पञ्च लक्षणम्॥

यह विद्यार्थी की परिभाषा है। जो वस्तुतः विद्यार्थी हैं अर्थात् विद्या को चाहने वाले हैं, विद्या प्राप्त करने वाले उनमें यह लक्षण दिखने चाहिए। उनके सभी तरह के प्रयत्न और प्रयास कौवे के समान होंगे जिस प्रकार कौवा अपने शिकार को एक ही प्रयास में प्राप्त कर लेता है उसी प्रकार वह विद्यार्थी अपना एक भी प्रयास निष्फल नहीं जाने देगा और उसकी एकाग्रता अपने विषय को लेकर बगुले के समान होगी और उसकी निद्रा भी श्वान अर्थात् कुत्ते के समान क्षणिक होगी, वह विद्यार्थी सचेत ही रहता है। विद्यार्थी अल्प आहारी अर्थात् कम खाने वाला ही होता है। वह निश्चित मात्रा में ही भोजन करने वाला होता है।

विद्यार्थी गृहत्यागी अर्थात् विद्या प्राप्ति के लिए घर को छोड़ने वाला होता है। वह जब तक विद्या की प्राप्ति नहीं कर लेता तब तक घर का मोह नहीं रखता है। इन पाँच गुणों को धारण करने वाला ही वस्तुतः विद्यार्थी होता है।
