ACTIVITIES IN SEPTEMBER

The month of September was marked by a host of enriching activities at our school. From engaging morning assemblies that inspired and informed. An educational trip to the museum broadened horizons and nurtured curiosity, while the Grandparents' Day celebration brought warmth and joy as students expressed their love and gratitude through performances. Garba Night filled the school with festive energy uniting everyone in dance & celebration. Alongside these, interactive classroom activities kept the spirit of learning alive, making September a truly memorable and fulfilling month.

69th District Tournaments Table-Tennis & Badminton

The district tournaments proved to be highly rewarding for our students, bringing home gold, silver, and bronze medals. As the saying goes, 'Success is the sum of small efforts, repeated day in and day out, 'our students' dedication and hard work truly shone through these achievements.

Mental Health And Wellness in Action

Suicide Prevention Week

Our school observed World Suicide Prevention Day with meaningful activities to spread awareness about mental health and the importance of seeking help. Students and teachers participated in discussions and T-shirts painting to create a culture of care and support. Together, we emphasized the message of hope and the power of listening to one another.

Gratitude and Affirmation Tree

A Gratitude and Affirmation Tree activity was organized to promote mental well-being and positivity among students and teachers. Participants penned down notes of gratitude and affirmations, creating a warm, uplifting atmosphere and reminding everyone to focus on the brighter side of life.

Awareness Session

An engaging awareness session on Safe and Unsafe Touch was conducted for students of Classes 1 and 2 by the school counsellor. Through simple stories and examples, children were guided to understand personal safety in a comfortable and age-appropriate way. They also created their own 'My Safety Circle', identifying trusted adults they can approach whenever they feel unsafe. The session helped young learners develop awareness and confidence about self-protection.

Substance Abuse

An awareness session on substance abuse was conducted to educate students about its harmful effects and to encourage healthy, responsible choices. The session aimed to build awareness, strengthen refusal skills, and promote a safe, substance-free environment.

The Sweet Seasonal Glee

*The hot summer breeze,
The cool winter crease.
Piping hot sand on the shore,
Freezing chilling ice at the core.
The leaves that grow in spring,
The leaves in fall that children bring.
Fragrance of blooming flowers,
Or the fallen leaf that towers.
The seasons that surround me,
The different seasons glee.*
